

WESTMORELAND CHAMBER OF COMMERCE

Dear Business Owners and Community Leaders,

Are you ready for 2026? At the Westmoreland Chamber of Commerce, we are preparing for our most exciting year yet, packed with new, engaging events for our community and innovative tools designed to support our members.

Our mission is to “Unite, Connect, and Promote” local businesses throughout the Westmoreland area, all of Sumner County, and surrounding communities. We accomplish this through a variety of networking opportunities, community events, and promotional resources. One of the chamber’s most important roles is fostering a business-friendly environment through advocacy with elected officials, community stakeholders, and local businesses.

As a member of the chamber, you become part of a highly engaged community that actively shapes and strengthens our local economy. Membership in your local chamber of commerce enhances your credibility with potential customers. Because of your entrepreneurial spirit and hard work, your business brings value and vibrancy to our community. We invite you to become a member of the Westmoreland Chamber.

Inside this membership packet, you will find a detailed list of Membership Investment Benefits, including several new offerings beginning April 1, 2025, as well as your Investment Options. We provide flexible membership levels based on business type and number of employees.
